About Community Servings

Community Servings' mission is to actively engage the community to provide scratch-made medically tailored meals to individuals and their families experiencing critical or chronic illness and nutrition insecurity. We commit, in all our programs and business practices, to prioritize racial and economic justice and health equity.

We envision a world in which everyone has access to the nutritious food they need for health and wellbeing as a fundamental right.

About LifeSavor

After a challenging few years for fundraising events, we are excited to again host our traditional gala *LifeSavor*, beginning with a cocktail party in the Galleria at Davio's Back Bay, and then moving on to dinner at local area restaurants. We are in the early stages of planning this year's event which will be hosted Wednesday, May 10, 2023. Details on the involvement of which restaurants is in development. More information will be shared as we get closer to the event date.
